HURON COUNTY SAFEPLACE

WHAT IS SAFEPLACE?

Huron County SafePlace is a resource for survivors of domestic abuse and sexual assault. SafePlace is a local non-profit and is funded solely by individual contributions. That means that SafePlace is supported by people like you, in communities like yours, that want to take care of their own. More than just a shelter, SafePlace provides residential & non-residential comprehensive services to women & children from all over Huron County.

DIRECTORS LETTER

www.huroncountysafeplace.com

We hope everyone has had a great 2024 and this finds you healthy and looking forward to the Thanksgiving Season.

SafePlace has had a busy 2024, we have had many clients and many challenges. Together we have overcome them with the gracious and generous help from our community.

We had exciting things happen to our play area, our landscaping and also a new sandbox made for the children. All these donated by the generosity of so many, check out the pictures on the other page of this newsletter.

SafePlace for several has been the place they call "home" this year. We are grateful to the community that believes in our mission, helping us by donating, joining a fundraiser or volunteering at an event.

Please join us for our Appreciation Dinner on November 7th to learn more. Details are in this newsletter. Please keep us in your thoughts as we continue our mission, making SafePlace a resource for women and children.

I challenge you, this thanksgiving season to pause and reflect, to remember God's presence and influence in your life.

I hope to see you November 7th.

Lori Swartzendruber
